

# ARGENTINA - Entry requirements

## Passport and Visas:

- a) Citizens from **Italy, Spain or Portugal** need a valid passport to enter Argentina but **do not require a visa** for stays up to 90 days as tourists.

**Standard requirement for tourists:** Return ticket, information of residence during their stay or hotel reservations, evidence of funds, information of their activity in our country or any other documentation that justifies their visit in Argentina as tourist. This documentation may be required by the Immigration Control Officer.

**For stays of more than 90 days**, see the following link with the requirements needed:
